A large, stylized graphic of the Hebrew letter 'ה' (He) repeated in a grid pattern, forming a heart shape. The letter is black and the background is white. The grid is composed of 10 rows and 10 columns of the letter, with the corners missing to form a heart shape.

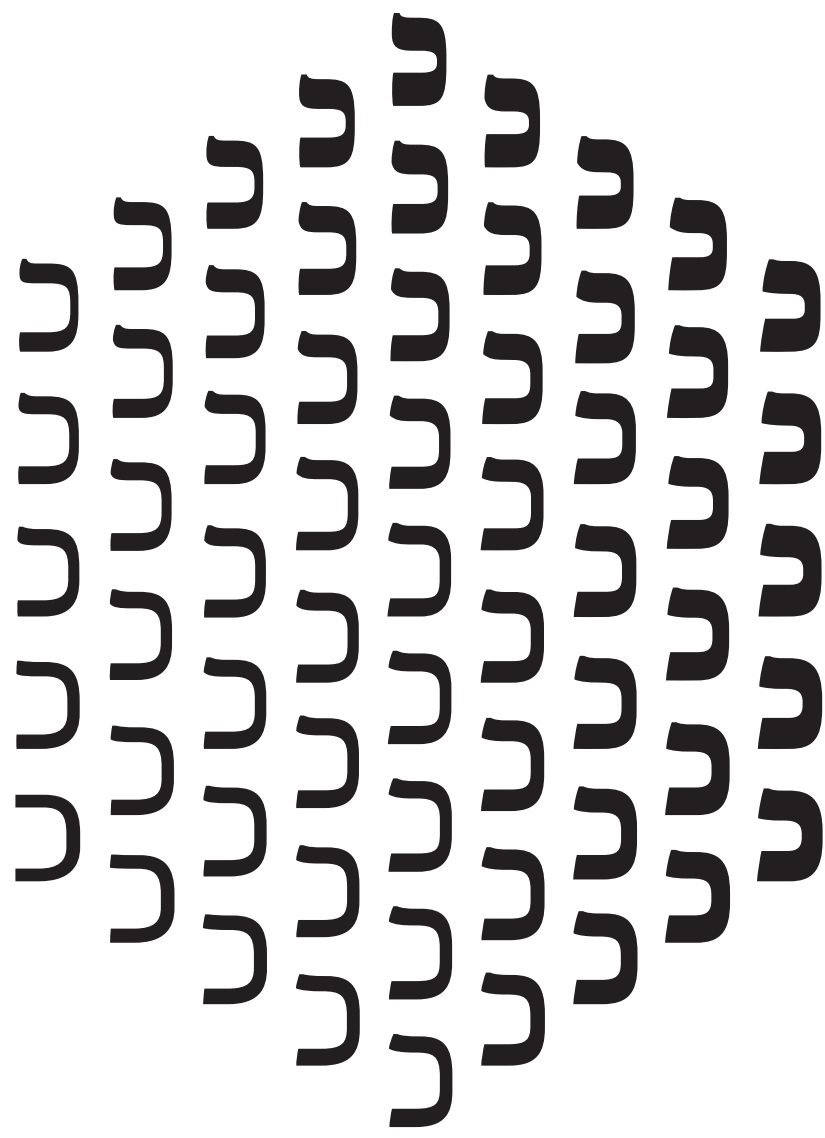

A decorative graphic consisting of multiple vertical columns of stylized, black, handwritten-style characters, possibly the letter 'r', arranged in a rhythmic pattern. The characters are of varying heights and are positioned in a way that creates a sense of movement and depth. The background is a solid, light gray, which provides a high contrast for the black characters. The overall effect is a modern, artistic representation of a letter or symbol.
